

NOTICE

*Effective **MAY 1, 2001:***

The Waco Division of the United States Bankruptcy Court for the Western District of Texas will no longer be accepting filings via facsimile.

Spring, 2001 is our targeted time-frame for implementing the *Electronic Case Filing* portion of the new CM/ECF System. Our goal is to transition as many attorneys as possible to this easy and convenient way of filing bankruptcy matters and of accessing the information electronically.

A PACER subscription/account may be obtained by registering with the PACER Service Center online at <http://pacer.psc.uscourts.gov> or by calling: (800) 676-6856 or (210) 301-6440.

IN ADDITION, a PACER subscriber has the option to access WebPacer from a convenient hyperlink provided on the court's homepage (www.txwb.uscourts.gov).

NOTE: PACER subscribers may access *hearing calendars* in the "Reports" option of the system (hyperlink on blue bar).

Access by attorneys and the public to electronic case documents and case information entered in CM/ECF *on and after March 1, 2001* can be accomplished in two ways:

1) **PACER (Public Access to Court Electronic Records)** - An individual with a computer and Internet access can access the CM/ECF System as a registered subscriber of PACER. The *fee* for this convenient access *is a nominal \$.07 per page* (approved by the Judicial Conference of the United States). Paper copies of documents can be printed if the subscriber has a printer attached to the PC or network.

2) **Public Access Terminal in the Clerk's Office** - P Cs are available in the public area of each clerk's office for the public's use in accessing the CM/ECF System at no cost. Once a document is selected by a user for viewing on the monitor, *it can be printed at a cost of \$.50 per page*.
